Turn right at 1st Ave E (CR-101), travel 0.7 mi.
Turn left at Shenandoah to the West Entrance

A Note About the Weather

Our wedding will be held in a grassy field overlooking the Minnesota River. The reception is a few steps away in a covered picnic pavilion. Weather early October can vary, but generally the highs are in the mid-60's, and the lows are around 50 degrees. Rain is possible, but October is typically dry. Even so, the ground may be soft. Please plan attire and footwear accordingly.
